

Where Kids Can Be Kids

Why are we the **BEST** option to care for your child?

Our reputation speaks for itself, but let us tell you a few highlights that set us apart from all the rest!

- ***Our curriculum is expertly designed by diversely experienced directors.***
- ***Experienced counselors and coaches then teach our curriculum in a hands-on learning environment.***
- ***We only hire and retain the most qualified and passionate counselors.***

In fact, each counselor under the age of 25 was first admitted into our Camp Counselor in Training, Staff in Training, or Internship programs. These three programs are geared for different age groups and are competitive feeder programs that enable us to select the best counselors for our camp. They are three-week volunteer programs that provide our future counselors with the mentoring, training and experience needed to succeed.

Our top priority is providing a safe and healthy environment for your child that is rich in Christian values. We offer flexible schedules with our all summer packages, week packages, drop-in day options and after care.

Did we mention that all our activities are outdoors, which is unique? **Lastly, and most importantly, we pride ourselves on creating a summer camp experience that helps your child build confidence, discover their abilities, develop leadership skills and feel empowered!**

We give them the skills to go out into the world and soar!

Visit our website and check out OUR TEAM who makes this all possible! They all give of their time, talent and treasure daily and make Country Life Kids Camp unique and exceptional!

CAMP HOURS, AGES AND AFTER CARE TO BETTER SERVE OUR FAMILIES

Country Life Kids Camp has shifted our summer camp age range to 7 (completed 1st grade)-13 and our hours to 8 am - 3 pm in an effort to better serve you. The age adjustment will both allow for younger campers to be better prepared to safely participate in camp activities and for older campers to have another year at camp to continue their character growth during this critical first year of their teens. The earlier start time of 8 am will eliminate the need for before care for our working families. It will also allow for an earlier start for the day's schedule, with the benefit of more activity time before summer's afternoon heat sets in.

Country Life Kids Camp is continuing to offer extended child care for parents who are looking for longer hours. Our After-Care is \$3.33 per hour and runs until 5:00 pm. To simplify after-care registration and payment, we've included it in our online camp registration. When selecting your week or full summer, you will now be required to select your departure time. Our printed sign-in/out sheets will reflect the time that each camper is scheduled for departure. This automated procedure offers parents more convenience and provides us with the ability to properly staff for aftercare.
